

LAFARGE WHITE PORTLAND CEMENT

bringing materials to *life*™

Uniformity with lasting appeal

Lafarge offers you a true white portland cement with our Lafarge White Portland Cement. This rich and beautiful unblended shade is formulated to produce an ideal concrete finish with great uniformity and lasting aesthetic appeal.

When you need a bright white, our Lafarge White Portland Cement is the perfect answer.

If your project involves architectural concrete, this is your natural choice.

Lafarge White Portland Cement

Typical Physical Properties

	Lafarge White Portland Cement
Fineness	
Blaine cm ² /gm	3970
% passing	
325 mesh	98%
Time - Vicat Setting	
Initial (min)	75
Air Content	9%
Autoclave Expansion	.01%
Compressive Strength	
1 Day psi	1990
3 Day psi	3900
7 Day psi	4660
28 Day psi	6290

Precautions

Direct contact with wet cement should be avoided. If contact occurs, the skin should be washed with water as soon as possible. Exposure can cause serious, potentially irreversible tissue destruction in the form of chemical (caustic) burns. If cement gets into the eyes, immediately rinse thoroughly with water and seek medical attention. For more information, reference the applicable Lafarge Material Safety Data Sheet (MSDS). The MSDS should be consulted prior to use of this product and is available upon request and online at www.lafarge-na.com.

Limited Warranty

Lafarge warrants that Lafarge White Portland Cement meets the requirements of ASTM C 150 and AASHTO M 85. Lafarge makes no other warranty, whether of merchantability or fitness for a particular purpose, with respect to Lafarge White Portland Cement. Having no control over its use, Lafarge will not guarantee finished work in which Lafarge White Portland Cement is used.

Product Name

Lafarge White Portland Cement

Manufacturer

Lafarge North America Inc.
Lafarge Building Materials Inc.
12018 Sunrise Valley Drive
Suite 500
Reston, VA 20191

Product Description

Basic Use: Lafarge White Portland Cement is a true hydraulic non-blended cement used to produce architectural concrete that exhibits a uniform white surface finish or to be incorporated into light or warm colored shades with the addition of oxides or alternate aggregates.

Technical Data

Applicable Standards: Lafarge White Portland Cement meets and exceeds the applicable standards of ASTM C 150, *Standard Specification for Portland Cement* and AASHTO M 85.

Limitations

Fine and coarse aggregates, air, water content and admixture variations can affect the quality of the final product. All portland cement products benefit from moist curing.

Contact your Lafarge Cement office for specific product information, availability and ordering.
